

SEE EFFORT TO OVERTHROW NEW IRISH LEADERS

Threats of Revolution in Ireland Used By Premier's Enemies.

COLLINS IN LONDON

Urges Continued Evacuation of British Troops From Country.

London, Feb. 15.—Threats of revolution and civil war in Ireland are being utilized by political enemies of Premier Lloyd George in efforts to overthrow the coalition government. The British cabinet is cooperating with the Irish provisional government at Dublin to restore tranquility along the Ulster border and prevent further outbreaks.

"I have every reason to believe that the evacuation of British troops from Ireland will be resumed and will speedily be completed," said Michael Collins, minister of finance in the Dublin government, after an interview with Colonial Secretary Winston Churchill at noon.

"We believe we can cope with the situation. I am going back to Ireland tonight."

The flying trip of Collins to London was believed by his friends to have done considerable good. Collins feared that if the orders cancelling evacuation of British troops from Ireland were continued in force they would weaken the powers of the provisional government.

For the first time it was admitted in Downing Street circles, this afternoon, that the free state bill (confering the powers of the Anglo-Irish treaty upon Dublin government) may not pass the house of commons. The opinion was expressed that the fate of the bill will depend upon conditions in Ireland when the vote is taken at the end of this week.

The future of the Lloyd George ministry hangs upon the fate of this measure. If commons votes down the bill the premier will resign at once. If the bill is passed by only a small majority it is expected that the premier will call a general election.

GOVERNOR FAVORS RECOGNITION NOW OF PRES. OREGON

Oklahoma Chief Executive Heads Pilgrimage Into Mexico.

Mexico City, Feb. 15.—Governor J. B. A. Robertson, of Oklahoma, who headed a pilgrimage of 35 Oklahoma business men into Mexico, said today, he strongly favored recognition of the Obregon government by the United States.

"If the people of the United States knew Mexican conditions better they would be partial to recognition," said Governor Robertson. "The sole proviso of the American government should be that it is satisfied with the stability of the Mexican government. There is an astounding amount of ignorance among Americans over conditions in Mexico. This trip has no political significance. We are merely trying to bring business relations of the two countries closer together."

Among others in the American party are W. J. Petter, president of the Oklahoma city chamber and Colonel A. N. Leacroft, Oklahoma state treasurer.

The visitors have an appointment to see President Obregon and members of the cabinet late today if the president's health permits.

HARDWARE MEN NAME OBERLIN MAN

Columbus, Feb. 15.—Miles J. Watson of Oberlin was elected president of the Ohio Hardware Association, at the opening of their twenty-eighth annual convention here yesterday. More than 300 dealers and hardware tradesmen were present at the first sessions.

Charles Martin, Lancaster, was elected vice president and James B. Carson and John P. Baker, both of Dayton, were re-elected secretary 1922 are: C. A. Gwaltney, Lock, and treasurer. Directors named for land; C. L. Crooks, Va. West; C. A. Tope, Carrollton and R. E. Ward, Andover, Albert Zettler of Columbus, the only local man to hold office in the association this year, headed the nominating committee.

T. James Fernley, Philadelphia, was the principal speaker in the afternoon speaking on "1922 Co-operation," he urged dealers to work together for the best interests of the trade and limit competition to actual efforts toward better service and prices.

President Charles Hauck, Springfield, presided at the session, Hugh K. Diamond, Gallon, led in a special song service with a collection of songs especially arranged for hardware men.

AVERS HOLLYWOOD NOT WICKED CITY

Hollywood, California, the metropolis of the movie world, much in the public eye for all the wild parties that are supposed to be prevalent there, has a staunch defender in Mrs. John N. Borden of Chicago. Mrs. Borden is a warm friend of Mabel Normand and has just returned from five months' visit to the film actress. She says that the wild parties are more of a myth than anything and adds that Mabel Normand was not a frequenter of those parties.

DECISION IN LEACH CASE THURSDAY

The trial of Eva Leach, 38, colored, charged with keeping a place where intoxicating liquor is sold, which was held in Police Court Wednesday morning was continued by Police Judge E. Dawson Smith until Thursday morning for a decision.

The accused woman was defended in court by Attorney F. L. Johnson, while City Solicitor J. A. Finney conducted the prosecution. The defense held that the testimony produced by officers who raided the Leach home, on East Main street, at 1:30 o'clock Sunday morning, and confiscated a quantity of corn whiskey and glasses did not show possession of the liquor in that did not prove that the whiskey was the property of Eva Leach.

The case will be decided by Judge Smith Thursday morning at nine o'clock. The Wednesday morning hearing was largely attended.

THREE ARE KILLED IN AUTO CRASH

Kansas City, Feb. 15.—The bodies of two men and a woman all about 40 years of age and as yet unidentified, were found today frozen in the ice of Brush creek near the south limits of the city. They had been riding in a Ford coupe which during the night had swerved from the roadway and had plunged 25 feet into the creek. Unable to escape from the partly immersed automobile, they had perished, either from drowning or from exposure in the icy waters of the creek.

TRACTION ACCIDENT RESULTS IN SUIT

An echo of the accident in which the automobile driven by Mrs. Evelyn F. Rowe, of Dayton, and occupied by Mrs. Rowe and her son, Donald H. Rowe was struck by a Dayton and Xenia traction car at Shoup's Station May 21, 1921, was heard in Montgomery County Common Pleas Court Tuesday, when Mrs. Rowe brought suit against the Dayton, Springfield and Xenia Southern railway company for \$35,000 damages.

Mrs. Rowe alleges in her petition that her son, Donald, was injured in a collision near the Beaver creek crossing, and that the boy will be deprived of the use of his right hand permanently as a result of the accident.

FORMER XENIAN NOW IN RUSSIA

Xenia people who remember Mrs. E. R. Ryall, who was formerly Miss Katherine Childs, and associated with the Y. M. C. A. while that organization was in this city, will be interested in knowing that Miss Henrietta Logan received an interesting letter Tuesday from Mrs. Ryall, who is now, with her husband and children, stationed in Warsaw, Poland, doing Y. M. C. A. work.

Mr. and Mrs. Ryall were formerly located in Russia, in the interest of their work, and were transferred from there to Berlin. They have been in Warsaw for several months.

WIRTH CABINET MAY WIN VOTE OF CONFIDENCE

Signs of Victory for the Ministry Are Now In Evidence.

Berlin, Feb. 15.—A vote of confidence was given to Chancellor Wirth and his cabinet in the reichstag this afternoon after the chancellor's political enemies had attempted unsuccessfully to put through a resolution.

Berlin, Feb. 15.—When the reichstag convened today, to pass upon the resolution of censure which had been introduced against the Wirth cabinet, last Saturday there were no signs of victory for the ministry. The Centrists (clericals), democrats and majority socialists, comprising the backbone of the coalition government announced that they would back up the Wirth government although they were not in agreement as to the wisdom pursued by the chancellor in the recent railway strike.

Following the moving of the resolution of censure in the reichstag on Saturday a vote was postponed until today despite protests of socialists and communists. The resolution was based upon the government's course in the railway strike. Nearly all political factions except the centrist party (the party with which the chancellor is affiliated) have attacked the government for its strike policy. The nationalists accused Dr. Wirth of weakness; the socialists accused him of unjustly punishing the strikers.

POLICEMAN SHOT IN FIGHT WITH GUNMEN

Patrolman Emery McCreight, 44, member of the new Wilmington police department, is in a critical condition in the Hale Hospital, Wilmington, with a bullet wound in his abdomen, and authorities are using bloodhounds in search for two alleged burglars, said to have fired the shot at the officer Tuesday night at midnight.

Patrolman Henry Adams, was injured only slightly when a bullet pierced his coat and grazed his shoulder. The officers had entered the alley in the rear of the Citizens National Bank building in Wilmington, when they discovered the two men in the dark. As the policemen hailed them and turned on their flashlights, one of the alleged burglars shot, the bullet striking McCreight. As Adams stooped to give him assistance the second shot struck him.

Authorities believe that the gunmen were making an attempt to enter the Benham hardware store, a crowd bar and a hack saw being picked up in the alley back of that business house. Bloodhounds from Loveland were obtained to aid in the search for the gunmen, and the hounds led to the Goosecreek school house, two and one-half miles east of Wilmington on the New Antioch pike, where they circled before returning to the road. Police believe that the robbers entered a machine there. Authorities in nearby cities have been notified to be on the lookout for the men.

NEW POLICE SERGEANT ON DUTY

Frank Tarbox, temporary appointed as night desk sergeant at police headquarters, served his last night in that position Tuesday night. James R. Soward, newly appointed desk sergeant, will assume the position Wednesday night. Mr. Tarbox was not a candidate for the position at the civil service examination held for applicants.

GIRL HURT AS CARS CRASH ON PIKE

Miss Marie Swindler, daughter of Mr. and Mrs. James Swindler, of West Church Street, is confined to her home suffering from severe bruises about the hips, sustained in an accident, while she was returning with a party of friends from Wilmington, Saturday night.

The machine, Miss Swindler was riding in, collided with another car both Ford coupes and was overturned into a ditch, and completely wrecked. Miss Swindler was injured when caught beneath the overturned car. The other occupants of both cars escaped unhurt.

EPIDEMIC STAGE NOT REACHED AT CLIFTON IS WORD

Fear that Clifton was to be struck with an epidemic of small-pox and diphtheria, has subsided, with the failure to discover more than two cases of either disease.

The schools of the village were closed for one week, but resumed classes last Monday. Over one hundred people of the place were vaccinated during the scare, and it is now thought that all danger is past.

LOST TWO MILLIONS THROUGH ELOPEMENT

Mrs. Preston Gibson, third wife of the New York Society man and playwright, who lost an inheritance of \$2,000,000 left her by her grandfather, the late Henry H. Rogers, by eloping in 1919 has started suit in Paris, preparatory to demanding a divorce. She was married to Mr. Gibson in 1919 following her divorce from Alexander D. B. Pratt. She had violent quarrels with her father following her marriage, but finally they became reconciled.

CATHOLIC PRIEST SHOT BY CRAZED MAN AT MINSTER

Horse Trader Held On Charge of Murder Near Lima.

Lima, O., Feb. 15.—Father Richard Schwydeman, a Catholic priest, is dead at his home at Minster, near here, today, and Charles Priening, a horse trader, is held in the county jail on a charge of murder as a result of the priest's death.

Priening terrorized the town for several hours, yesterday, and was then locked in his home. The priest, in company with Priening's brother, went to the house in an endeavor to quiet the crazed man, who fired a revolver point blank at his brother's chest. The bullet was deflected by his watch.

Priening then seized a shot gun and killed Father Schwydeman. He then took refuge in a barn, but surrendered when a posse was formed.

McCOOK FIELD TO BE LEASED AGAIN

Dayton, Ohio, Feb. 15.—Practical assurance is said to have been given to Dayton business organizations yesterday that the Government is making plans to renew the lease on McCook field, for another 12 months' period, following expiration of the present one, June 30, next.

The significance of the move is apparent, as a renewal in face of efforts of other cities to obtain the Government experiment field may indicate the permanent retention of the industry in or near Dayton.

It was stated last week that steps had been taken by the Government to acquire a large acreage at Wilbur Wright Field, east of the city, to which point McCook Field activities may be transferred. In any event, the renewal of lease of McCook Field will mean that the experiment station will not be removed from Dayton until after July 1, 1923.

Satisfaction was expressed by industrial leaders as in normal times 1,500 persons receive employment at the field.

BRYAN DECLINES TO RUN FOR SENATE

Miami, Fla., Feb. 15.—William Jennings Bryan, thrice Democratic candidate for president of the United States and secretary of state in President Wilson's cabinet, today declined to become a candidate for the U. S. Senate to succeed Senator Tram melle, of Florida.

FIRE CAUSES BIG DAMAGE

Marietta, O., Feb. 15.—Fire that is still burning in the rear end of the big building of the Thornley Brothers Company, wholesale dealers in farm products, is estimated to have caused \$25,000 damages. The Imperial Ice Cream Company which occupies a part of the buildings is a heavy loser.

SEEK TO UNRAVEL MYSTERY

Columbus, Feb. 15.—Police today are trying to determine what caused the death of Benjamin H. Lechrone, 33, milk wagon driver, found fatally injured in his wagon at Cleveland and Third Avenues. He died a few hours later. Before losing consciousness, Lechrone said: "They got me."

"NAVAL HOLIDAY" MAY OFFER CONGRESS WAY OUT OF BONUS TAX MUDDLE

Coal Miners To Take Vote On Strike In Three Weeks

Sentiment Believed To Be Overwhelming for Cessation Of Operations April 1—Matter Hinges Around New Wage Contracts.

Indianapolis, Ind., Feb. 15.—Anthraxite and bituminous coal workers will take a referendum within the next three weeks to decide whether or not to suspend operations April 1, if new wage contracts have not been negotiated by that date.

Just as soon as the miners' national convention ratifies the report of the scale committee a call will be issued for such a vote and preparations will be made speedily, union leaders said today, to start voting. A date will be set for the casting of ballots and four or five days later it is expected the complete returns will be in international headquarters.

Sentiment will be overwhelming, said the leaders, for a cessation of operations on April 1.

William Green, secretary of the international union, holds strongly to the belief that it is possible to negotiate a new agreement for the anthracite field without a suspension but the anthracite leaders hold just as strongly to the belief that it will be a physical impossibility to get a new contract without a suspension of at least one month.

SAVING IN NAVY APPROPRIATIONS MIGHT BE USED

Congress Continues In a Turmoil of Cross Purposes.

HARDING TO SPEAK

President Rejects Proposals for Special Taxes or Bond Issue.

Washington, Feb. 15.—The "naval holiday" decreed by the armament conference may offer congress a pore and an easy way out of the soldiers' bonus muddle, Republican leaders indicated today. They suggested that the big saving expected to be effected in navy appropriations as a result of the limitation of naval armament fixed by the conference could be readily diverted to paying for the bonus.

Congress continued today in a turmoil of cross purposes over the bonus bill, Republican leaders of the senate and house were still groping for a way out of the tangled situation created by the president's rejection of their proposals for special taxes, or a bond issue, to raise the necessary money.

Republican members of the senate finance and house ways and means committees met again behind closed doors in the hope that the president would communicate some advice directly to them as to how they might best attempt to straighten out the situation.

It was considered not unlikely that the president would express his view of the situation in a letter addressed to either Chairman McCumber, of the senate committee or to Chairman Fordney of the house committee or both.

Meanwhile, the pressure for a sales tax as a means of financing the bonus will be exerted by renewed determination by Senators Smoot of Utah; Edge, of New Jersey; Moses, of New Hampshire and others in favor of it.

They were spurred to fresh activity by the knowledge that the president himself believed in a sales tax although inclined to leave to the judgment of congress whether one should be imposed.

Chairman Fordney, however, was said to be among the house Republican leaders who had frankly informed the president that the combined opposition of the Democratic minority and the "agricultural bloc" in the lower chamber would be sufficient to insure the defeat of a sales tax there.

Senator Smoot proposed to overcome the opposition of the agricultural bloc" by suggesting again a manufacturers' sales tax from which the farmers would be exempted. It was such a tax that he offered as an amendment to the new revenue law and despite its defeat, by a substantial vote in the senate, he said he was hopeful that it might succeed if offered as an amendment to the bonus bill.

Rep. Hamilton Fish, Jr., of New York spokesman for ex-service men of the house, declared there was no reason why the bonus could NOT be provided for from the saving of from \$200,000,000 to \$300,000,000 in naval retrenchments expected to result from the "naval holiday" decreed by the armament conference.

There will be a caucus of house ex-service men Thursday for the purpose of renewing the fight for the bonus bill in the lower chamber where, as in the senate, a strong undercurrent of opposition to it has set in as a result of protests against the enactment of any bonus bill.

John Thomas Taylor chief executive agent of the American Legion said:

"We feel absolutely satisfied that the senate finance and house ways and means committee will report out a soldiers bonus bill that will be perfectly satisfactory to the business interests of the country so far as the tax features are concerned. There can be no questions as to the obligation of congress to pass the bonus legislation this session and I have every confidence that this will be done."

President Harding believes it is impossible to raise by a bond issue at this time a large sum of money to finance the soldiers' bonus. It was stated yesterday at the White House, and he is unalterably opposed to the suggested eight point tax program or to a return to any of the taxes that have been repealed.

The executive was represented as being favorably disposed toward the bonus legislation and it was emphasized that when he appeared before the senate last July to ask that its enactment be deferred he had not taken a position of hostility. It also was stated that promises made by Republicans in the 1920 primaries had not been lost sight of, but it was pointed out that no exact time had been fixed for the passage of an adjusted compensation bill.

NINE ARE HELD IN THEATER COLLAPSE FOLLOWING PROBE

Architect and Engineer Besides Others Said To Be Involved.

Washington, Feb. 15.—Nine men were ordered held for the grand jury by the coroner's jury which composed almost entirely of Catholics, to bring an indictment of a vote of 7 to 1. It was shown that Father Delorme a few days before the death had had his brother's life insured for \$25,000, that he influenced his brother to have the policy made payable to his "heirs" whereby he, Father Delorme, would profit.

Testimony was submitted showing the calibre of the bullet used was the same as that of a revolver found in the priest's car, and that the seats of his car had been scrubbed in an apparent effort to clean it of stains.

The nine men, all of Washington were R. G. Geare, the architect of the building; J. H. Ford, engineer, who designed the roof structure; Morris Packer, building inspector when the building was constructed; Frank L. Wagner the builder; Donald Wallace, general superintendent of the Hammett Fireproofing Co., which built the walls; John L. McDonald, the contractor who erected the steel; Thomas L. Costigan, engineer and computer for the district of Columbia building department, who passed on the plans, and Julian R. Downman, the assistant building inspector when the building was constructed.

The inquest was begun last Tuesday and scores of witnesses were heard before the jury began its deliberations behind closed doors. It was out seven hours before it returned its findings.

DEATH LIST NOW PLACED AT 27 IN BELFAST DISORDERS

Belfast, Feb. 15.—The twenty-seventh death from mob violence in this city and suburbs during the past four days occurred this morning. Five men were shot to death between midnight and 11 o'clock. Two were killed in the Bloomfield district and one in Springfield Avenue. All had evidently been shot by snipers. A number of others were wounded.

Belfast passed through a wild night of terror with sniping and bombing in many of the streets.

Hundreds of civilians have barricaded their homes and are afraid to venture outside the doors.

Large forces of soldiers and police are patrolling the streets.

The excitement quieted down late in the morning and by early afternoon the city had begun to appear normal.

ELABORATE PLANS MADE FOR HARDING

Marion, O., Feb. 15.—Both Marion and Bucyrus started to make elaborate plans today for the expected visit of President Harding in June. In order that President Harding might attend the annual state G. A. R. encampment at Bucyrus, June 12 with his father, Dr. George T. Harding, a former department commander of the state department of Ohio, the Marion centennial visit set its dates for June 11, 12, 13 and 14 after President Harding had expressed a preference for June.

This will mark the first visit of the president to his home town of Marion since becoming president. It had been expected that he would be in Marion some time in March to take some Knight Templar work and it is now possible that he will take this work during his trip here in June.

PRESENTS RESIGNATION.

G. H. Fuller, organizer and recently president and general manager of The Fuller Company, Inc., presented his resignation to the board of directors at the meeting held Tuesday night. J. L. Richards was appointed general manager to succeed Mr. Fuller in the management of the business and T. E. Broughton was made president for the present.

Mrs. Joe Welch, widow of the comedian who died recently, was called as a witness in the Grand Jury probe of the Wall Street bucketshop ring. She testified to losing \$4,000. Two score witnesses were subpoenaed by the New York Grand Jury to tell what they knew about the ring, which is alleged to have buncoed investors out of \$10,000,000.

- ### PUBLIC SALE DATES

 - Feb. 24—Charles Kinsey.
 - Feb. 28—Mesecher & Hull.

HENRY CLEWS

Weekly Financial Review

New York, February 15, 1921.

The prospect of new taxes in connection with the proposed soldiers' bonus and ship subsidy legislation continues to be the least satisfactory phase of national finance. It was almost inevitable that before the discussion ended legislators who were desirous of avoiding the criticism of their rural constituents should propose to find the money they need by means of a tax on stock and bond transactions, and this accordingly is the latest suggestion put forward by bonus advocates. Any such proposal would, of course, be not only an illegitimate discrimination against one element in the population—the owners of securities—but would already have suffered heavily during the past few years. It would, besides, as in all such cases, react directly upon employment and prosperity by making it harder for those who are obliged to apply to the investment market for funds to get what they need, and in addition would interfere seriously with Government financing. Besides, it would fall in its own object as business would be dwarfed to such an extent it would prove non-revenue producing. There may be two honest opinions regarding the wisdom of passing a bonus bill, but there can be no doubt that it is a tax on the sale of bonds and stocks, and that is against it, especially when it is taken into consideration that the owners of securities already provide a very large proportion of the Government's revenues derived from income taxes.

Losses of 1921 Written Off

The unfavorable industrial reports issued by a number of large enterprises during the past week including some of the packers (Morris & Co. disclosing a deficit of nearly \$11,500,000 for 1921), and also various steel mills and other concerns. As offsetting the unsatisfactory outcome of 1921 in many lines it should be remembered that these final figures represent a writing off which has presumably eliminated the bad elements in the industrial system, leaving it in a correspondingly more healthy condition with a view to future growth. Comparison of the returns for the last quarter of 1921 in almost all cases show very pronounced improvement as the year advanced. The losses in share were inventory losses which had been incurred prior to August last, when values had become fairly well stabilized, the later months of the year showing correspondingly little shrinkage in values save in those cases where writeoffs had not been previously effected. It is, therefore, a fundamentally important fact that, as shown by wholesale price indexes, the price level has suffered but little variation since the middle of 1921, monthly changes seldom amounting to as much as a point or two.

Better Railroad Prospects

Higher prices for railroad stocks during the past week are a reflection of public opinion with respect to the condition of the carriers. Their revival is in a measure based on the expectation negotiations which have been going on between the roads and their employees will bring about reduced wages without threat of strikes. Roads which have been regarded somewhat doubtfully by investors are showing the ability to hold their own, and the attitude taken by the Administration reflected in the current rate proceedings before the Interstate Commerce Commission affords good warrant for the belief that there will be no attack upon the general rate structure. Better car loadings and reduction in idle cars since the beginning of the year further help to confirm the more optimistic prospects in transportation. It con-

tinues to be a fact, of course, that the roads are in many cases suffering from the lack of new cars and other betterments, but this could easily be remedied if the Government should decide to guarantee railroad equipment issues on the lines suggested by Secretary Hoover, and would be of great aid in restoring normal industrial conditions.

Market Review and Outlook

The market during the week has given a good account of itself. Based on a long range view quotations for a majority of stocks still look attractive. Everything points to a revival of trade in the near future, and this of course means greater earnings for industrial concerns and for the common carriers. Added to this there will be plenty of money to satisfy all legitimate requirements at moderate rates of interest. Substantial reason exists, therefore, for the optimistic feeling regarding stock values. While the general public is not doing very much at the present time signs are not lacking that they are willing to pick up stocks whenever they are offered at fair concessions. As a matter of fact more interest has been shown in the market during the last fortnight than for a long time previous. Present owners of stocks still believe that the outlook is sufficiently bright to justify them in holding for higher figures and so long as this opinion prevails there is little likelihood of any setback of importance.

Scientific Meals Make Boy a Prodigy.

Eugene E. Ford, Jr.
Entering high school at the age of ten is one of the achievements of the youthful prodigy, Eugene E. Ford, Jr., of Jamaica, N. Y., nephew of Supreme Court Justice Edward Dowling. His remarkable record is attributed by his mother, Mrs. Eugene Ford, to scientific feeding. No eating between meals, eating at regular hours and no sweets contributed to his 100 per cent record.

TELLS OF WORK IN EXPERIMENTAL FIELD

The method of experimenting with animals in research work, to overcome the cause of human ailments, was discussed by Dr. Louise Burns, of Los Angeles, head of the A. F. Still Research Institute, of that city, at the meeting of the Dayton District Osteopathic Society following a dinner at the Gibbons Hotel, Dayton, Tuesday night. Dr. Burns, is one of the best known practitioners of

the country, and her address was well received by the members of the society.

Dr. Brown, said, "We use three or four hundred rabbits, monkeys, guinea pigs, and similar animals each year, at the institute. We produce certain lesions, study their effects and then either reduce the lesion or kill the animal. We are careful to cause the animal no pain."

The subject of animal experimenting has been one of the most prominent in the study of Osteopathy, and other sciences, and is aiding in making large strides in the research work according to Dr. Brown.

Dr. J. A. Yoder, local osteopath, attended the meeting, Tuesday night.

INVESTORS

You are Invited to Open an Account With Us

We pledge safety and availability of your money at all times.
We have been in business 27 years and now have over 54,000 satisfied customers.
We invest all of our money in first mortgage real estate security.
We carry a \$1,000,000.00 cyclone and windstorm policy for additional protection.
We carry a \$100,000.00 blanket surety bond, insuring our Company against loss from burglary, holdup, theft or infidelity of any officer or employee.

The Headline Habit

What makes it possible for everyone to enjoy the newspapers? The headlines?

Imagine the endless daily task of reading through the scores and scores of columns in the paper to find the things in which you are interested.

But the headlines make it possible for you to look through the news of the day and instantly hit on the parts you are anxious to read. You can sift out just the information you want.

That's exactly the service the Gazette and Republican Classified Section performs for you. You can find what you want, when you want it in these changing columns—in a few minutes' time.

The different classifications are grouped in alphabetical arrangement and the first word of every ad is its headline.

Read the Classified Section daily!

Auctioneer—Howard Titus. Clerks—Ed Hastings & W. W. Troutt. Lunch by the ladies of the Mizpah Class of the R. P. Church, Cedarville. Come and get a good dinner anyway.

Social and Personal

INTERESTING PROGRAM AT SEARCHLIGHT CLUB

A most enjoyable session of the Searchlight Club, of the O. S. and S. O. Home, was held Tuesday afternoon, the meeting taking upon the nature of a "Music Conference."

The meeting was opened with the roll-call, the responses being quotations from "Musical Moments" followed by the singing of the hymn "America," by the club members.

An excellent paper upon "American Folk Songs" was given by Miss Marie LaSalle, who touched upon not only the songs, but the life of such men as Stephen Foster and Emmett, the fathers of "Old Dan Tucker" and "Dixie Land."

Another splendid paper was given by Miss Miller who gave ample justice to her subject, especially dealing with Dr. Samuel Smith, P. P. Kloss, Dr. R. R. Palmer, Phoebe Brown, Fannie Crosby and others.

The club members regretted the absence of Miss Nellie Cherry, who was to have given a paper upon "American Composers," and of Mrs. Lepton, who was unable to be present on account of sickness, and who was to have given "Selections from MacDowell."

The program numbers were interspersed with songs by the club members, including only the old folk songs and hymns.

The "music conference" was directed by Miss Collins, who was at her best, giving instructions, and valuable ideas on the subject. The program was thought to be the most interesting of the club affairs.

EUCHRE PARTY GIVEN TUESDAY

The auditorium of St. Brigid's School was the scene of another merry social affair, Tuesday afternoon, when the women of the church, received all the women of the parish and their friends for euchre.

The committee in charge of the social, and who received the guests was composed of Mrs. James J. Levey, Mrs. James Hibbert, Mrs. Frank Hoag and Miss Mary Kelbie.

The fortunate prize winner of the afternoon was Mrs. Harry Esterline who was presented a box of hand embroidered handkerchiefs, that were made by Miss Lillian Gish, well-known film star, and sent by her to Mr. George Bocklett of this city who is acquainted with many film favorites since his visit to California. The handkerchiefs were sent by Miss Gish to Mr. Bocklett, to be donated to a bazaar and contained the personal card of Miss Gish, "with her very best wishes."

A dainty refreshment course was served the guests after cards. Fifty women enjoyed the party.

WESTMINSTER GUILD HOLDS MEETING, TUESDAY

Mrs. Dan Nichols, assisted by Miss Faye Ledbetter, received the members of the Westminster Guild, of the Presbyterian Church, at the home of Mrs. Nichols, on North Galloway street, Tuesday evening.

The meeting was opened with devotions led by Mrs. George Baldwin, who based the service on the book, "The Meaning of Prayer."

An interesting paper, that was to have been given by Mrs. W. Crawford Craig, was read by Mrs. Arthur Perrill. At the business meeting of the members, Mrs. Perrill was appointed on the membership committee, and Mrs. George Tiffany, on the floral committee. A delicious refreshment course was served at the close of the program.

K. OF P. PARTY LARGELY ATTENDED

The large number of guests that attended the Knights of Pythias Valentine Party given at the Pythias Castle, at Second and Detroit streets, Tuesday night, characterized the affair as one of the largest and most enjoyable of the social affairs recently given.

About two hundred people attended the party, and spent the evening with dancing, and cards. Music for the dancers was furnished by the McKay orchestra of Wilmington, who furnished a good program of popular numbers. In the card room, a large number of the guests enjoyed themselves, prizes being awarded the highest score holders. A buffet lunch was served later in the evening.

JUNIOR WOMAN'S CLUB MEETS TUESDAY AFTERNOON

"The Northwest" was the topic taken up by the members of the Junior Woman's Club, who were entertained by Mrs. S. Milton McKay, at the S. B. LeSourd home, on East Second Street, Tuesday afternoon.

The papers of the afternoon, were given by Mrs. Cecily Williamson, upon "American Forestry and Lamp Camps," and by Mrs. R. H. Kingsbury, upon "Writers of the Northwest." A vocal solo by Mrs. W. H. McGervey was enjoyed.

The next club meeting will be held February 28.

ONE CANDIDATE INITIATED INTO LODGE

On candidate, Mrs. W. E. Eavey, was initiated into Aldora Chapter, No. 262, Order of Eastern Star, at the regular meeting held in the Masonic Hall Tuesday night.

Following the initiatory work, the lodge members enjoyed a refreshment course. Eighty members were present for the ceremonies.

BRIDE-ELECT TO BE HONORED WITH PARTY

Invitations have been received by a number of people in this city, to an evening party to be given by Miss Maude Milburn, and Miss Lucille Wones, of Dayton, at the Milburn home Saturday, honoring Miss Olive Owens, popular bride elect of this city.

Mrs. W. A. Galloway, who received a severe injury to her knee, four or five weeks ago, has recovered, and is now able to be downstairs.

Miss Mame Glenn, who has been employed at the O. S. and S. O. Home for almost seven years, has resigned to take a much-needed rest.

Mr. and Mrs. Theodore Muller, and twin daughters, Marian and Louise, of New York, are visiting Mrs. Muller's sister, and brother-in-law, Mr. and Mrs. John Barnett, of South Detroit street.

Lampert Coal Co. announces another cut in price on all coals handled by them. We guarantee to please. Delivery made promptly. Kentucky Block, West Virginia Lump and Pocahontas. Why pay more? Bell Phone. 2-15

Miss Alice Dingess of Jamestown is seriously ill. She has been in failing health for some time, suffering from a complication of ailments.

Lost—Carrier boy's collecting book. Please return to Gazette office. 2-15

J. Kenneth Williamson, Finley M. Torrence and R. A. Kelly attended the district meeting of the Kiwanis Club at the Miami Hotel, Dayton, Tuesday.

GET IT AT DONGES.

There will be a meeting of Phoenix Rebekah Lodge, No. 74, Thursday evening, for team practice.

The Rev. B. B. Uhl attended the Missionary Conference of the Lutheran Church, held at the Indiana Lutheran Church in Columbus Tuesday.

Friends in this city of the Rev. Arno Moore, will be glad to know that he is residing with his sons, Addison and Horace at Albuquerque, New Mexico. The Rev. Moore is an invalid, and in poor health.

William Marshall of Cedarville, who underwent an operation at the McAllellan Hospital in this city, some time ago, was removed to his home last Saturday.

Barl Rakesraw of the Hutchison and Gibson Company, is in Chicago this week, on business for that company.

Don't fail to read C. A. Kelbie's big Ad in this issue. 2-15-16

Dr. and Mrs. A. W. Jamieson, Mrs. J. Robert Bryson, and W. B. Bryson, returned to this city Tuesday night, from Pittsburgh, Pennsylvania, where they have been attending the New World Movement Congress.

Sixteen employees of the Woolworth Store, enjoyed a "covered dish" supper at the store, Tuesday evening. After the supper the crowd spent the time dancing and enjoying victrola music.

Mrs. C. W. Linkhart entertained the members of the Home Missionary Society of Trinity M. E. Church, at her home on West Market street, Wednesday afternoon.

Mr. and Mrs. Vernon Wilson, of the Hussey place, are the parents, of an eight pound son, Russell Durwood, born Saturday night.

Notice C. A. Kelbie's Big Display Ad in this issue. Special sale Clothing and Footwear. 2-15-16

James Carlos, who has been suffering from a severe attack of sciatic rheumatism, is able to be out.

The Wilberforce University basketball team will play the Center street Y. M. C. A. team of Springfield at Springfield Wednesday night.

FIRE DAMAGES SHIP

Baltimore, Feb. 15.—Fire early today said to have been caused by the back firing of a motor engine, caused damage which is not believed to be heavy, in the boiler room of the Matson Line Steamship Hawkeye State, docked at a Baltimore and Ohio Railroad pier in Baltimore harbor. The vessel is an oil burner and some of the heavy oil used on the ship is said to have caught fire.

CHARGE WITHDRAWN: TOOK TREATMENTS

L. A. Judy, 45, white, who has been a sufferer from rheumatism, has improved considerably since he has been making his residence at the home of Eve Leach, colored, East Main street.

This he testified to in police court Wednesday morning when given a hearing on a charge of loitering following his arrest at the Leach home, early Sunday morning, by policemen who raided the place.

The charge of loitering against Judy was dismissed, when he testified that his presence at the Leach home was legal because it is his bona fide place of residence, having gone there to receive treatments for rheumatism.

YELLOW SPRINGS FIVE DROPS GAME

A foul goal by Ford in the last minute of play gave St. Joseph's High School of Springfield a 21 to 20 victory over the St. Paul's Cadets of Yellow Springs at Springfield Tuesday night.

The game was fast and closely played throughout. Hackett opened the scoring for the Yellow Springs five with the first basket of the game, and the Greene County team was leading 8 to 7 at the end of the half. Later the Yellow Springs five had a 20 to 14 lead, but could not stop the Springfielder's sudden spurt.

MORE SNOW FALLS IN EAST

New York, Feb. 15.—What promised to be the worst snowstorm of the winter struck New York City today. Three inches had fallen early today and the storm continued.

STATE EXAMINER'S REPORT PLAYS COUNTY OFFICIALS FOR METHODS USED—\$44 PER DAY ALLEGED SPENT FOR IDLE MACHINERY

Specific details of conditions in the office of former county Treasurer J. E. Sutton and a criticism of the methods employed in operating the business of the office of the County Commissioners, represents the high lights in the report received from the office of State Auditor Tracy here, Wednesday morning.

Use of the word "error" in referring to various discrepancies in funds and in the accounting in the Treasurer's office has taken the threat of sensation out of the report, which has been expected to arrive here for some time.

The report of Examiner Clifton regarding the Treasurer's office declares that the "records and files were neatly kept but that the public funds have been carelessly handled and not all properly accounted for as shown under headings of this report. The practice of refunding money erroneously collected direct from the treasury without a receipt or any record of the same is very dangerous to the treasurer," it says. "No money shall be paid from the treasury other than on the warrants of the County and State Auditor."

In making the treasurer's office report, County Examiner Clifton makes the following statement: "In justice to Mr. J. E. Sutton, the Ex-Treasurer, the examiner wishes to make the following statement: The report was made upon the face of the county records. All charges made for and against him are taken from the records. Some of the most essential records that should have been kept for the treasurer's own protection, were not found in the office. The practice of refunding money to persons, when errors were made in collecting taxes was a very dangerous one, as he has no record of same. It was noted by your examiner that certain statements were made from some of the banks to the treasurer that they were returning tax receipts that had been taken from the treasurer and marked paid, which had not been redeemed at the bank by the parties owing said taxes. If such taxes were not properly restored to the duplicate the treasurer would be the loser. It is suggested that if at any time in the future the treasurer finds that he has made mistakes as above noted, where taxes were marked paid, which were not paid, or that he has refunded money without credit, that he present the proper proof to the county auditor for credits due him."

SCORES COMMISSIONERS

The findings regarding the County Commissioners' office, do not show shortages in funds, or errors in the accounting of the money, but allege bad business practices in spending the county's money on "force account" or what is commonly known as "cost plus," where the contractor presents his bill for labor and material and is paid a certain per centage as his profit.

In his report on Commissioners' office the examiner says: "The records and files of the office are very neatly kept and all public funds coming into their possession are correctly accounted for."

"Very little attention has been paid to the laws governing the letting of contracts, force work accounts, etc. Your examiner believes that had the commissioners used the Prosecuting Attorney to advise them as to procedure, etc., that the county would have been many thousands of dollars better off. The unbusiness like methods used by the commissioners is all uncalculated and cannot be too severely condemned. In all work that has been done on the roads and bridges in this country for the past

three years, which amounts to several hundred thousand dollars, only in a few instances is there anything on the journal authorizing same. The commissioners seldom asked the surveyor for plans, specifications, estimates, etc., for any improvement that they wished to make. Most of the work being done by force account authorized to be done by the commissioners, but the only record showing that the work was authorized being the bills allowed by them."

The report condemns in one instance a contract between the Commissioners and a local contracting firm for the graveing of roads for which that concern received \$56,500.66, and criticizes the transaction in the following manner:

ROSS TOWNSHIP ROAD WORK

"On February 21, 1920, the County Commissioners contracted with the Wilson Engineering & Contracting Company to do certain work by force account."

"On June 2, 1920, a supplemental contract was made by and between the same parties."

While the above mentioned contracts are a matter of public record, yet I feel it my duty, to set out the exact copy of the same, and make such comments in my report, that are due the public. While the contract was made by the commissioners and the Wilson Engineering & Contracting Company, and fulfilled by both parties, yet the contract was illegal from the beginning to the end.

"Total amount paid the Wilson Engineering & Contracting company on foregoing contract was \$56,500.66."

"The amount paid for the gravel on this road was \$5,005.80. This amount was paid to C. R. Reid, who owned the pit. This brings the total cost to the county on the contract for said improvement up to \$61,506.46."

"The county commissioners were without authority to make such a contract."

"During this examination many persons have been called and examined as to what they knew of this contract. Very few people knew, other than the County Commissioners and the Wilson Engineering & Contracting Company, just what the contract was. L. D. Wilson had full charge of the work in which he was paid \$1.50 per hour for looking after his own contract. It cost Ross township hundreds of dollars hauling off large boulders dumped in the road. This in itself showed that the gravel was not screened. The steam shovel for which the county was paying \$44.40 per day sat idle for the greater part of the three months, which cost the county close to \$4,000, while not a wheel turned."

"The county commissioners are without authority to assume the responsibility they did in this contract. The county surveyor is paid for looking after this work. The prosecuting attorney is the legal adviser of the county commissioners. Why not use him?"

Findings showed that the other offices, including the Clerk of Courts, office, Probate Court, Sheriff's office, and Recorder's office were operated correctly, with correct accounting of all funds, and the Auditor's office was commended for its efficient operation and the willingness of the officials to take suggestions tending to greater efficiency.

STEAMSHIP CONTRACT IS LET

Washington, Feb. 15.—Contract for re-conditioning the steamship Leviathan has been let to the Newport News Shipbuilding and Drydock company, of Newport News, Va., it was officially announced by the shipping board today.

RULING ON BUS LINE INTERESTS OWNERS

A decision that will affect bus drivers between this city and Dayton as well as other interurban bus operators out of Dayton, is being awaited with interest in the court of Common Pleas by Judge Snediker, of Dayton. Judge Snediker is now hearing arguments in the injunction suit brought against the city of Dayton by Irvin Howard, operator of the Dayton-Germantown bus line. Howard obtained a temporary injunction several months ago when the city attempted to make him and other interurban bus operators pay a license seeking to make the injunction permanent.

There at present busses operating out of Dayton to Xenia, Germantown and Osborn, watching the case with interest, besides attorneys representing railway carriers. Howard obtained his injunction when he declared that he was not carrying passengers in Dayton but was merely making stops in the city to admit or reject passengers from outside points.

RESIGNS AS MINISTER

Washington, Feb. 15.—Boaz W. Long has resigned as American minister to Cuba, the state department announced today. The resignation took effect on Feb. 1. Long has not served in Havana since Major General Crowder was sent there as the representative of President Harding. It is understood that he will become allied with certain business interests in central America.

MEETINGS CLOSE

The protracted meetings that have been held for over two weeks at the Paintersville M. P. Church, closed Tuesday night. The Rev. Elliot, former pastor on that circuit, was the principal speaker at the final meeting, assisting the Rev. Foltz, the regular pastor. Each of the meetings have been marked with large attendance.

TO HOLD CONVENTIONS

Newark, O., Feb. 15.—Baltimore and Ohio veterans and the ladies' auxiliary of brotherhood of locomotive engineers will hold their annual conventions here next summer, date unknown at present.

SUM REALIZED IS \$3,600

Newark, O., Feb. 15.—The sum realized by the Rotarians in their industrial exposition last week has grown to \$3,600, and this is to be used to care for the city's poor.

Splinters

PEOPLE WE DON'T CARE TO MEET—NOT THAT I KNOW ANYTHING ABOUT IT BUT—

MISS BUT—KNOWS NOTHING ABOUT ANYTHING BUT WHO WILL ALWAYS TAKE A GUESS AT SOMETHING ABOUT EVERYTHING.

"After that," said the man, "It's not the mule's fault"

Blame for injury depends on how much chance the victim had to make himself safe.

"The first time a mule kicks me," said a wise man, "it's the mule's fault. If it happens again, it's my fault."

A good many people are staying within kicking distance of tea or coffee, who have had a chance to know better.

They have learned that tea or coffee at night keeps them awake. They know it whips up the nerves. They know what medical opinion has so often said about the effect of the drug element in tea and coffee upon the nervous system—and how indigestion, headaches, high blood pressure and various ills so often follow the use of tea or coffee.

Knowing this, they fail to keep out of the way. Where does the

blame belong, then, when the final break-down comes?

There's safety in Postum, and charm, too. Postum has a full, rich flavor much like that of the better grades of coffee, and it is free from any harmful element whatsoever.

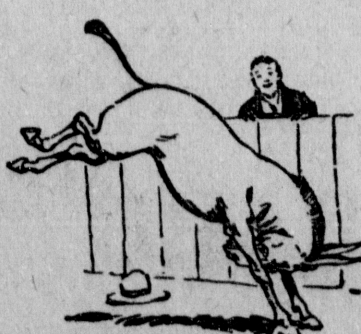

Whether or not you've had your warning from tea or coffee, why not step over on the safe side? Why not do what so many others have done—try Postum for ten days, learn how delightful and satisfying it is—and learn how much improvement there can be for you?

You can get Postum wherever good food and drink are sold or served, and it only takes a word from you to your grocer or restaurant waiter, to make this move to the safe side, at once.

Postum comes in two forms: Instant Postum (in tins) made instantly in the cup by the addition of boiling water. Postum Cereal (in packages of larger bulk, for those who prefer to make the drink while the meal is being prepared) made by boiling for 20 minutes.

C. L. DARLINGTON DONATES MONEY FROM STATE TO A. L.

Attorney C. L. Darlington, State Commander of the American Legion and first Commander of Joseph P. Foody Post, No. 95 American Legion of this city, made the first subscription to the permanent home fund for Foody Post, Wednesday when he announced his intention of donating his entire state bonus check for that purpose.

Commander Darlington sent the following letter to Jacob Colp, Commander of Foody Post: "As soon as I receive the check for my State Adjusted Compensation, which will amount to not less than \$195 nor more than \$230, I intend to indorse same to Ohmer Tate, C. H. Denner and myself as trustees."

"The income is to be used for the benefit of the Joseph P. Foody Post, No. 95, American Legion, until such time as the members of the post decide to build a home of their own, at which time the trust is to terminate and the principal

applied toward the payment of the home."

"Very truly yours, "Charles L. Darlington, "Department Commander."

It is expected that other Legionnaires, who have pledged amounts from their Adjusted Compensation to the home building fund, will make their donations also on receipt of their checks.

PICTURES ARE PRINTED.

The February number of "The Etude," well known musical publication, contains excellent photographs of Sammy and Billy Pickrell, Cedarville fiddlers, illustrating an interesting article, on "The Country Fiddler," by Robert Braine. Sammy Pickrell one of the subjects of the sketch, died a few months ago.

BRITAIN TO AID IN ULSTER DEFENSE.

Announcement was made in the House of Commons that Prime Minister Lloyd George had notified Michael Collins, head of the Irish provisional Government, that the kidnappings in Ireland showed the necessity of the presence of British in Ulster.

It was also announced that the Northern Irish Parliament had been assured that the number of British troops would be increased to any extent necessary for the protection of the inhabitants.

Winston Spencer Churchill, the Colonial Secretary, said that Prime Minister Lloyd George, in replying to the provisional Government's assurances that the safety and return of the captives would be secured, had sent a telegram to Michael Collins, reading:

"You must bear in mind that there have been serious raids from Southern Ireland across the border into Northern Ireland during the last few days which your Government was unable to prevent. In the course of this, prominent inhabitants of the North were kidnaped and forcibly removed to the area under your jurisdiction. In these circumstances the Northern Government is not merely entitled, but in duty bound to take every step to prevent the repetition of such outrages.

"It is the ultimate duty of the civil authority, by established rule, the military should only act when the resources of the civil powers are not equal to the task. We have no information as to the action of the Northern Government, but in so far as it is purely defensive and protective, you must see that recent events justify such measures. It is just as much the duty of the Northern Government to prevent raids into the South as of the Southern Government to prevent raids into the North.

"With regard to your remark about our troops in Northern Ireland, the necessity of their presence was clearly shown by the events, and the Northern Parliament has been assured that they will be increased to any extent necessary for the lawful protection of every person and every class and creed in the area of the Northern Government."

Mr. Churchill again stressed the difficulties of the Southern Government owing to lack of any legal authority, and also the belief of the Imperial Government in the Provisional Government's good faith. The Imperial Government's position was that there had been a rebellion which was terminated by the treaty, and that it was necessary as soon as possible to draw a line between events of the past and events of the future.

EVEN THE "JAPS" ENTHUSIASTIC OVER THE OUTCOME OF THE CONFERENCE.

War clouds over the Pacific and the Far East have been banished by the Washington Conference, in the opinion of both Japanese and Chinese delegations, which made public formal expressions of their views.

The White House announced receipt by President Harding of a cablegram from Hsu Shih Chang, President of China, felicitating the American Executive especially on the settlement of the Shantung question.

"Thus the peace of the Far East is further insured," President Chang stated.

In a formal statement appraising the work of the Far Eastern section of the Conference in the most commendatory terms, the Chinese delegation said:

"The clouds which were hovering on the horizon in these regions have lifted, and a more assuring outlook of peace and good understanding now greets the eye of the observer."

Admiral Baron Kato, chief of the Japanese delegation, after declaring the Five-Power Treaty for the Limitation of Naval Armament did not impair the security of the signatory Powers, added:

"On the contrary, the work of the Conference has given such reassurance as few but visionary dreamers had contemplated up to three months ago."

From public expressions of that description, leaders of the Harding Administration took a cue. They declared the primary hope of the Senate trouble-makers in the forthcoming discussion of the treaties had been smashed.

Baron Kato said the United States had done the world "a service that will live in history as long as history lives." He said the Hughes naval reduction program of November 12 was "obviously a stroke of genius" and added that the broad principle enunciated in the plan was one "by which no men with any sense of reason and justice can remain unmoved."

"With America's wealth and resources she could have dominated the seas," Baron Kato said. "She chose, however, the wiser course, the way of true greatness, which has commanded the admiration, respect and love of the whole world."

ZEPPELIN LINERS TO CROSS ATLANTIC.

For the first time since the project was launched, the so-called Spanish dirigible line to South America is considered seriously in French air circles. It appears that a group of Spanish financiers, co-operating with the Zeppelin Company, has now surmounted the monetary as well as the political difficulties—the latter were occasioned by the terms of the Versailles Treaty—for the creation in the near future of the desired communications.

The operating expense of the air line is estimated at 44,000,000 francs, while the construction of the Zeppelins will cost 36,000,000 francs. It is estimated that each voyage between Spain and South America will cost, at the present rate of exchange, 420,000 francs, but it is also expected to realize 300,000 francs by carrying sixty passengers at 5500 francs each plus 600,000 francs for the mails transported. The latter estimate is based on 300,000 letters at two francs each.

The opinion in commercial air circles is that these figures are utopian and that the capital invested will not be returned within three years as expected. It is now planned that these rigid dirigibles, to connect Spain with South America, will start from Seville leaving the coast at Cadiz and flying over Los Palmas—Canary Islands—thence, following the open sea to Pernambuco, Brazil, and continuing on to Buenos Aires. The total distance is 7000 miles, a great part of which is overseas between the Canary Islands and Pernambuco—3000 miles.

On January 1 the postal savings deposit of the United States amounted to \$146,500,000.

Walnut Street Theatre in Philadelphia, it is acknowledged, is the oldest extant playhouse in this country.

WE CAN TELL THEM THAT FROM HERE.

1902--Twenty Years Ago--1922

The Xenia Historical Society composed of pupils of Central Schools, met yesterday afternoon, the chief discussion being on St. Valentine's Day. Later comic valentines were exchanged and the meeting proved a most enjoyable one.

The legislature has granted the O. S. & S. O. Home an appropriation of \$39,000 as a partial appropriation for the year beginning, Feb. 15.

At a meeting of the city council last night it developed that the "sewer farm" had been sold for taxes at the January sale, and that it had been bought by a man from New York. The farm seems to have been placed on the tax duplicate and sold without being generally known. The first strawberries of the season made their appearance at H. E. Schmidt's this morning. They sell at 50 cents per quart.

WHEN YOU DANCE

The one time when a young girl wants to look her best is when she dances. I know because dozens of them write to me a few weeks before some special dance is contemplated, somehow thinking that they can make themselves quite beautiful in that short space of time. They can't, of course, and I hate to tell them so, so I tell them instead all the little things that can be done to improve their appearance.

First of all the dance frock itself is always becoming. It is more becoming to a young girl than any of her other dresses simply because it is soft and silky, and by its very frivolity, sets off the young face and figure. Secondly, and perhaps after all this is the most important, the mere fact that the girl is going to dance makes her eyes sparkle and cheeks flush becomingly.

So much for essentials. Now there are what I might call last minute beautifiers. The hair should be shampooed and waved, if it looks well waved, one or two days before the

color they should be treated with cold cream for a few days before the dance. When you dress use vanishing cream on them under the powder. R. M. R.—Hair that is inclined to be dry should not be washed oftener than once in three weeks. If your hair is thin your scalp needs some treatment such as a daily massage or the massage and a tonic three times each week.

Jane—The constant use of a fine toothed comb would be very irritating to the scalp and the dried particles of the white of egg you suggest will likely cause the hair to break by reason of the friction. A dry shampoo occasionally will be a better way of cleansing the hair when you do not have time for the washing.

Peggy—The callus spots that sometimes appear on the feet can be removed by using a sanitary file on them after bathing. They are only a collection of dead skin that can be easily removed. There are files that come for this purpose.

Tomorrow—Beauty Hints.

GOITRE REMOVED

Troy Lady Tells How Mrs. Dot Cox, 402 East Canal St., Troy, Ohio, says she will tell or write anyone about her wonderful experience in removing a terrible, inward goitre with Sordol Quadruple, a colorless liniment.

You can see the treatment and get addresses of many other successful users at Sayre & Hemphill's and drug stores everywhere, or write Box 355, Mechanicsburg, Ohio.

PAIN GONE! RUB SORE, RHEUMATIC ACHING JOINTS

Stop "dosing" rheumatism. It's pain only. St. Jacobs Oil will stop any pain, and not one rheumatism case in fifty requires internal treatment. Rub soothing, penetrating St. Jacobs Oil right on the tender spot, and by the time you say Jack Robinson—out comes the rheumatic pain and distress. St. Jacobs Oil is a harmless rheumatism liniment which never disappoints, and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache and neuralgia. Limber up! Get a small trial bottle of old-time, honest St. Jacobs Oil from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

POOR HUMAN NATURE.

It's human nature, I suppose, to comfort find in others' woes. When rheumatiz, with tireless vim, assails my shelf-worn lardboard limb, and I am rubbing dope thereon, and raising Ned from dark till dawn, I'm cheered by hearing news from Gregg's—he has the ill in both his legs. No more I murmur and repine; he has a fiercer dose than mine. This Gregg's a good and loyal friend; he's done me favors without end; and gladly, gayly I'd respond; of old Pete Gregg I'm very fond. Then why do I rejoice to know that Gregg can duplicate my woe, and show a surplus of disease in both his ankles and his knees? And Gregg confessed to me, one time, the details of a kindred crime. He had lumbago in his back, and sat complaining in his shack, consuming pills and other dope, all shorn of confidence and hope. His grief obsessed him till he knew I had lumbago and the flu; two fell diseases in my frame, and ready to give up the game. The tidings braced him for a while; he gave three cheers and heaved a smile. I wonder why this thing is so, that we can better bear our woe if told some neighbor, in his lair, has twice our grief and some to spare. Our human nature's a surprise, and hard to parse and analyze.

Today's Talk

by George Matthew Adams

THE HAPPY HEART

One thing about the happy heart is that it feeds upon the food which, within its own walls, it manufactures.

And then it opens its doors—and bids the world come in.

The happy heart can never be poor because happiness is richer than any other kind of wealth.

Happy hearts are always found in the bodies of workers and helpers. For work and service are the food on which the heart lives.

There are no nights of sleeplessness to those who are happy in heart. Dreams to such are as honey to the flower, and as the warm, open fire after the outer cold.

The happy heart travels over miles and miles—in reality, it never stops traveling.

Do you want a happy heart? It is easy to get. Just try to make someone else happy.

And then that someone will loan out his happy heart, until a great company of hearts dance under the stars.

How golden are the days, how rich in experience every hour in which the happy heart beats!

You can earn the simple joy of the happiest child, plus the finest strength of the greatest of the earth, if you will just keep your heart happy.

News of Greene County

YELLOW SPRINGS

Rev. J. R. Sillars of Springfield, will assist Dr. T. J. Gahr in a series of evangelistic services to be held in the Presbyterian Church beginning, Feb. 26th to March 5th. A cordial welcome is extended to the community to attend these services.

A congregational supper will be served Thursday evening in the basement of the Methodist church at six o'clock. A program will be given in the evening. The entire congregation is invited.

The W. C. T. U. will hold an Institute at the home of Mrs. Horace Shaw Friday afternoon. Miss Mary Irwin, National Superintendent, of the W. C. T. U. will be present and conduct the meeting.

The American Legion will present "The Beholder's Troubles" at the Opera House Thursday evening. Leah Wolford entertained some little friends Saturday afternoon from two to five o'clock with a valentine party. The hours were spent in games.

Born to Mr. and Mrs. Frank Fulton on Wednesday a little daughter, Betty Catherine.

Mrs. A. G. MacLennan left Thursday for her home in Philadelphia after a two weeks visit with her parents, Dr. and Mrs. L. L. Taylor.

Mrs. Mary Lucas of Atlanta, Ga., arrived a few days ago to be with her mother, Mrs. Hannah McCulloch who is seriously ill. Mrs. Amos R. Wells of Boston, Mass., who is a niece of Mrs. McCulloch is also here.

Henry Hopkins who has been visiting in Boston, Mass., was called here this week on account of the death of his uncle, Mr. William Hawkins.

Mrs. S. W. Cox returned Saturday from Marseilles where she attended the funeral of her cousin. Mrs. Allen Smith and little niece Betty Farquhar of Wilmington are visiting Mr. and Mrs. C. F. Vandervort.

Mr. and Mrs. Joe Oehler and baby of Cincinnati spent the week end with Mrs. Oehler's parents, Mr. and Mrs. Dennis DeWine.

Miss Marie Garlough has accepted a position in President Morgan's office at Antioch College.

Mrs. Emily McDonald returned Saturday from a visit with relatives in Louisville, Ky.

Prof. Deway of Columbia University was a guest of Dr. and Mrs. S. F. Weston, Friday.

Miss Belle Middleton is employed in the office of the Buckeye Incubator Co. in Springfield.

Miss Walton of Bellbrook spent the week end with her friend, Miss Bernice Harper.

Mrs. George Charlton of Xenia is visiting her sister, Mrs. Lucile Carter.

I. K. Warner of Dayton spent Sunday with his mother, Mrs. John Warner.

Mr. and Mrs. John Trollinger of west of town, celebrated their twenty-fifth wedding anniversary, Saturday evening. There were over one hundred guests present. A lovely three course supper was served. The evening was spent in games. Many beautiful presents were received.

The members of Mrs. C. S. Sherdon's Sunday School class held a "kid" party, Monday evening at the home of Mrs. E. E. Prugh.

Rev. E. R. Lewis spent Monday in Cincinnati the guest of his father.

Mr. and Mrs. Archie Peterson, delightfully entertained a number of their friends at dinner at their home south of Yellow Springs, last Friday evening.

Covers were laid for eighteen at the beautifully appointed table, and the courses served were most delicious. The remainder of the evening was spent in games.

Those present were Mr. and Mrs. Frank Hughes, Mr. and Mrs. Albert Hursler, Mr. and Mrs. Joseph Sutton, Mr. and Mrs. Harry Sutton, Mr. and Mrs. William Thomas, Mr. and Mrs. Edward Paine, and the Rev. and Mrs. E. R. Lewis.

JAMESTOWN

J. Frank Gordon, was at Oxford two days last week attending the sessions of the Farmers' Institute of which he was one of the speakers. On Thursday morning, Mr. Gordon's subject was the "Feeding of Dairy Cows." In the afternoon "The Good Roads Proposition." In the evening he addressed the young people on the "Tendencies of the Day and Times." On Friday morning Mr. Gordon spoke on "Taxation," and in the afternoon was one of the speakers on "Community Service."

Mrs. Harry Story was a mid week Xenia shopper.

Mrs. Davis Barnhart is convalescent from an attack of grip.

Mrs. Ida Deubner and two little sons of Miamisburg, spent last week with her parents, Mr. and Mrs. G. W. Leveck.

Mrs. Ralph Glass who underwent an operation at the McMillen

hospital in Xenia last week is recovering nicely.

Class No. 5 of the Bible school of the Church of Christ of which Charles Leach is teacher held their monthly business and social meeting on Tuesday evening at the home of Burgett Leach.

The Jamestown Community Service Club has been fortunate in securing R. Hayes Hamilton of Xenia who will give one of his famous lectures at the auditorium of the school building on Wednesday evening. Mr. Hamilton is widely traveled and has a national reputation as a lecturer. His lecture will be illustrated by stereopticon views of Mr. Hamilton's own production.

Mrs. George Bishop has been very ill suffering from chronic rheumatism.

Mrs. L. L. Farquhar is in Cincinnati this week the guest of her parents, Mr. and Mrs. C. W. Acorn.

The Jamestown Farmer's Institute was well attended and each session full of interest. The following officers were elected, president Elmer H. Smith; vice president, Charles Leach, Secretary and Treasurer C. Y. Ritzmoun. Mrs. Charles Robinson, chairman of the Ladies Auxiliary.

Miss Mary Zeiner and her room mate, Miss Faye Sing, have returned to Chicago where they will resume their studies.

Mrs. M. E. Titus was in Cincinnati last week attending the millinery openings. She was accompanied by Mrs. W. P. Harper.

Class No. 13 of the Bible School of the M. E. Church, of which the Rev. W. A. Cooper is teacher will have their social meeting on Thursday evening in the lecture room of the church.

The body of James Cushman was brought from his home at West Charleston on Friday afternoon for burial on the family lot in the Jamestown cemetery. The funeral services were conducted at his home church on Friday morning.

Mr. Cushman was 82 years of age and the father of Mrs. George Toland, Mrs. Frank Doster and Ray Cushman, all of Jamestown.

C. E. Roberts of London spent the week end with his mother, Mrs. James Roberts.

James Clark, who has been ill for the past few weeks suffering from an attack of grip, is now in a serious condition with little hope of recovery.

N. N. Hunter is in Columbus, this week attending the 28th annual convention of the Ohio Hardware Association. He is accompanied by Mrs. Hunter.

Mr. and Mrs. J. A. Thuma have returned from Indiana, where they have been the guests of relatives.

Mrs. Herbert Smith has sold her property on West Xenia Street to a Mr. Houser from Chillicothe, who will move his family here.

The Jamestown high school basketball team will play the Wilmington high school team on Friday evening at Wilmington.

Best Long has sold his residence property on West Main Street to parties from Cleveland who will probably convert it into a business location.

The Home Missionary Society of the M. E. Church will meet with Mrs. Watson on Thursday.

ARE YOU A TARGET FOR INFLUENZA?

Be Prepared—Strengthen and Build Up Your Blood With Gude's Pepto-Mangan

If you are not feeling your best—if you have that "always-tired" feeling, be careful of the influenza. It is blood-borne, anemic people that disease strikes first. It is the red corpuscles of the blood that fight disease and save you from sickness. Fortify your blood—build it up with the pleasant tonic, Pepto-Mangan.

And should you be just recovering from influenza, Pepto-Mangan will build you up. Pepto-Mangan is widely and heartily endorsed by physicians. In liquid or tablet form. No difference in medicinal properties.

Sold at any drug store. But be sure you get Gude's Pepto-Mangan. Ask for it by the name and be sure the full name is on the package. adv

FORD'S OFFER BEST HE CAN MAKE IT IS NOW LEARNED

Washington, Feb. 15.—W. B. Mayo, chief of engineers for Henry Ford, resumed testimony yesterday before house military affairs committee under a cross fire of questions designed to find out where the government is going to "get off" if it accepts Ford's Muscle Shoals offer.

Rep. Miller, of Washington, interrogated the witness. Under an avalanche of questions, he obtained from Ford's spokesman these admissions:

1—That the government in the six years immediately following completion of dams No. 2 and No. 3 will pay \$3,000,000 in interest charges more than Ford will pay in interest.

2—That Ford's present offer to develop the government owned property in Alabama "is the best he can make."

Miller declared that the government will "be out" \$1,600,000 in interest charges in the two years it is estimated it will take to construct dam No. 3 and complete dam No. 2 following which Ford's contract would really become effective.

"Now," asserted Miller, "you have a six year period for the payment of interest of that part of your project. Your lease period begins when dam No. 2 is capable of producing 100,000 horsepower. Then you will be paying into your interest fund \$200,000 a year while the government will be losing \$600,000 a year or \$3,600,000 in the six years interest paying period."

"We don't think that is so," broke in Mayo.

"Then why not?" countered Miller. "You must remember this matter has got to be explained on the floor of the house."

Under this line of questioning Mayo became outwardly piqued.

"Mr. Ford has made a fair offer," he declared. "He has made the best one he can and you will have to take it or leave it at its face value."

FATHER AND TWO SONS ARE GIVEN SENTENCES

Portsmouth, Feb. 15.—Before Judge L. G. Dill in Waverly yesterday W. A. Russell and sons, John P. and Waldo pleaded guilty to misapplying credits and making false entries in the Beaver Bank at Beaver, Pike county, which closed its doors last April.

Owing to his age, W. A. Russell, 68, was given a suspended sentence to the Ohio penitentiary while his sons were given indeterminate sentences.

President Honors Girl for Bond Sales.

Pauline Henkel, girl.

Pauline Henkel of New York City, who is an honorary colonel and the most decorated girl in the world, for her war work in selling \$3,350,000 worth of Liberty bonds, has received an autographed photograph from President Harding, which he sent her by special messenger.

JAMES CLARK IS CALLED BY DEATH

James Clark, 59, well-known and highly respected citizen of Jamestown died at his home, in that place, Tuesday afternoon at two o'clock, following a month's illness. Mr. Clark had been ill with grip, which developed into pneumonia.

Mr. Clark was born in Greene County, near New Jasper, and had been a resident of Jamestown for a number of years. He formerly conducted a shoe repair shop in that village. Besides his widow, he is survived by four sons, Harry, of Detroit, Michigan, Percy, and William, of West Branch, Iowa, and Lester, at home.

Funeral services will be held, Thursday morning at 10 o'clock, at the home, in charge of the Rev. W. A. Cooper, of Jamestown, M. E. Church. Interment will be made at the Jamestown Cemetery.

KENYON TO RETIRE BY FEB. 24

Washington, Feb. 15.—Senator Kenyon of Iowa, who recently was appointed a supreme court judge by President Harding, said last night he would retire from the senate and assume his position on the bench not later than Feb. 24.

ST. BRIGIDS LOSES TO MIDDLETOWN TEAM ON TUESDAY

St. Brigid's High School basketball team lost its first home game of the season at the Rink Tuesday night to Holy Trinity High of Middletown, by the score of 12 to 8, the defeat being the second sustained at the hands of the Middletown tilters.

The visitors had to hustle in order to come out on top the game being fast and exciting from start to finish and featured by close guarding on both sides. The Holy Trinity lads took the lead early in the first few minutes and were never headed throughout the pastime. The score at the end of the half was 7 to 2 in their favor.

St. Brigid's seemed to be a bit off form, and the locals were particularly weak on shooting, missing many attempts. Middletown used the five man defense perfectly. The lineup and summary:

St. Brigid's—8 Middletown—12
Neville L F... Infeld (c)
Gallagher R F... McLaughlin
Toohey (c) C Davis
Rachford L G..... Miller
Hollencamp R G..... Kinder
No substitutes. Field goals:
Neville 1, Toohey 2, Hollencamp 1,
Miller 1, Davis 3, Infeld 1. Foul
goals: Infeld 2 out of 3, Gallagher
out out of 2, Neville 0 out of 2,
Referee: L. Rachford.

News of Greene County

SPRING VALLEY

Quarterly meeting was held at the Friends Church, Friday, Saturday and Sunday. Rev. Lewis G. Pim of Xenia delivered the sermon on Saturday. On Sunday morning ten people gave their names for membership. Sunday afternoon at the Christian Endeavor Rally Rev. R. C. Coleman of the Clifton Presbyterian Church and president of the Greene County Christian Endeavor Union gave the address.

The funeral of Aurelius Alexander, of Dayton was held at the Friends Church Monday morning. Rev. Elliott, former pastor of the Methodist Protestant church here and a close friend of Mr. Alexander conducted the services. A quartette composed of Arch and William Copey, W. E. Crites and W. W. Whitaker sang.

Mrs. L. C. Peterson has sold her farm to Mr. Frank Peterson and has purchased the M. N. Douglass residence. Mr. and Mrs. Douglass will move to their farm.

Miss Mary Elam of the McClellan hospital Xenia spent Sunday at her home here.

Miss Effie Conley spent the week end at her home in Cedarville. The young ladies Sunday School class of the Methodist Episcopal Church of which Rev. H. I. Collins is the teacher enjoyed a social evening at the home of Miss Elsa Davis Monday. The colors were red and white and the valentine scheme was used throughout the evening. On unfolding their napkins the guests found valentine hearts on the margin of which was written Davis-Hetzel, March 1922.

CLIFTON

A. E. Swaby was a guest of the Kiwanis Club of Springfield last Tuesday, to hear a lecture on the wireless telephone.

Dory Shafer has purchased the barbershop of Mike McCarty in the K. of P. Building.

Over one hundred persons were vaccinated here, Monday and Tuesday of last week. No new cases of smallpox have been reported.

The Sickles family are all ill with the grip.

Rev. Robt. N. Coleman preached dress at Spring Valley, Sunday afternoon to the C. E. Societies.

Services will be held in the U. P. Church, the entire week, closing with Communion, Sunday, Feb. 19. Preaching each day by the pastor and neighboring ministers.

Rev. Robt. N. Coleman preached Sunday evening for Rev. Leigh Wright, at East Side Chapel, Springfield.

Mr. and Mrs. Bert Hopping returned Monday after a short honeymoon spent with relatives.

The February number of "The Etude" has in it excellent photographs of Sammy and Billy Pickrel, illustrating an interesting article on "The Country Fiddler," by Robert Braine.

Clifton friends of Rev. Arno Moore are glad to know that he is still alive, although an invalid, and is living with his sons, Addison and Horace at Albuquerque, New Mexico.

MT. TABOR

Mrs. Harvey Kyle and son Charles have been visiting Mr. and Mrs. A. Hollingsworth and family, for a few days.

Mr. and Mrs. Francis De Voe and family of Gunnersville, spent Thursday with J. R. Jones and family.

Mr. and Mrs. I. L. Smith and family spent Sunday with Mr. and Mrs. Russell Mason and family of near Paintersville.

Mr. Foster Hollingsworth of Dayton, was the week-end guest of her cousin, Miss Maude Strong.

O. O. Smith and children of Xenia, were guests Sunday, at the home of Mr. and Mrs. J. R. Jones and family.

HAVE TO GET UP NIGHTS FOR BLADDER RELIEF?

Try Simple Method This Dayton Man Reports Relieved Him Quickly.

Mr. Wm. D. Ostermeyer, 236 East Second St., says in his own home paper, the Dayton Daily News: "My bladder caused me to get up many times at night and also inconvenienced me as often as every 30 minutes in the day. After taking a few Lithiated Buchu tablets my bladder is perfectly normal. They also relieved a very lame back for me. It gives me much pleasure to tell my friends about these little tablets."

Lithiated Buchu acts on the kidneys and bladder like do on the bowels. It cleans them out. It is not a patent medicine as the formula is on the package. The tablets cost 2c each. This price makes it possible to place in the formula several high priced drugs, which are useful for relief. Very likely you have never taken anything like this remedy. Try a few doses for backache, scalding, scanty or high colored urine, and frequent desire at night.

You can get Lithiated Buchu, Keller formula at Sayre & Hemphill's and drug stores everywhere, or write The Keller Laboratory, Mechanicsburg, O.

This Pure Cream Stops Head Colds

Apply in Nostrils—It Opens Air Passages Instantly.

Colds and catarrh yield like magic to soothing, healing, antiseptic cream that penetrates through every air passage and relieves swollen, inflamed membranes of nose and throat. Your clogged nostrils open right up and you can breathe freely. Hawking and snuffling stop. Don't stay stuffed up and miserable.

Get a small bottle of Ely's Cream Balm from your druggist. Apply a little in the nostrils and get instant relief. Millions endorse this remedy known for more than fifty years.

CASCO KILLS COLDS

LUMBERTON

Mr. and Mrs. A. J. Michener entertained Rev. Balingier and family to supper Thursday evening.

Mr. and Mrs. Vernon Divens and family of Dayton, spent the week end with Mr. and Mrs. Truman Hiatt and family and Mrs. Susan Retzoff.

Mr. and Mrs. George Bradshaw and family spent Sunday with Mr. and Mrs. Miller Fields.

Mr. and Mrs. Minor Jones and son spent the week end with Mr. and Mrs. J. B. Rambo and son, Ernest.

Mrs. B. L. Lewis who has been seriously ill is better at this writing.

Mr. and Mrs. Platto Horton and son, George of Wilmington and Mr. Harvey Foster were the Sunday guests of Mr. and Mrs. William Hiatt and family.

Robert Bradshaw spent Sunday in Dayton with friends.

PAINTERSVILLE

Mr. and Mrs. Wilber Woods and family, East of Paintersville, entertained at Sunday dinner, Mr. and Mrs. Glenn Jenkins and families of James-town, O., and Miss Odessa Woods, of Port William, Ohio.

LIVED ON MILK AND TOAST FOR MANY MONTHS

Mrs. McDaniel Says No One Ever Had A More Stubborn Case of Stomach Trouble Than She Did. Now In Perfect Health and Eats Anything On Table.

"I am in better health than I have been at any time in the last ten years and I am convinced Tanlac is the very best medicine man ever made," said Mrs. J. A. McDaniel, 1614 South High St., Columbus, Ohio.

"I don't believe anybody ever had a more stubborn case of stomach trouble than I did. When I began taking Tanlac I was living entirely on milk and toast and was growing weaker and thinner every day. I was so nervous I got little rest either day or night and I just had a feeling all the time that something dreadful was going to happen. Why, I was even afraid to cross the street by myself."

"I had no idea any medicine could make such a difference in a person in so short a time as Tanlac has made in me. My appetite is splendid, my digestion couldn't be improved upon and I am gaining in weight every day. My nerves have quieted down, too, and in fact, I am just like a different person."

Tanlac is sold in Xenia by Sayre & Hemphill and by leading druggists everywhere.

SOCIETY

AFTERNOON TEA CHARMING AFFAIR

Mrs. L. S. Hyman was a gracious hostess Tuesday afternoon, when she received sixteen women, at her home on East Market Street, for the pleasure of Miss Gertrude Gottlieb, of Boston, Mass., who is visiting in this city and Mrs. Jacob Colp, a recent bride.

The guests spent the afternoon in social chat, tea being served later by the hostess. Out-of-town guests of Mrs. Hyman, were Mrs. Milton Katz of Washington, C. H.; Mrs. Collins, of Columbus; Mrs. Budwick of Dayton and Mrs. Polasky of Pliska, and Mrs. O'Gillie, of Boston.

E. R. Richards, of the Kay and Richards, Clothing Store, attended the Ohio State Display Men's Convention, held at Dayton, Ohio, at the Gibbons hotel, Tuesday.

Stomach Trouble Banished for 60c

Quick Relief From Gas, Sour Stomach, Heartburn, or Honey Back.

Free Sample Sent On Request. Sufferers from stomach ills who have put this powder to the test do not need a money back offer to induce them to buy again. The offer is made to those who have gone on suffering, trying doctors' prescriptions and other medicines without a bit of success, but neglecting to try Dr. Jackson's Digestive and Liver Powder.

This offer is made to prove the medicine-maker's faith and assure the buyer he doesn't risk a cent. There is no risk to the health either, for the powder contains no opiates or stimulants to harm the user. Buy a package today from your druggist, and begin the work of banishing your indigestion, sour gassy, bloated stomach, shortness of breath, heartburn, headache and foul breath. If not satisfied after using the first box, your money will be cheerfully refunded. Free sample sent on request. Jackson Medicine Company, Zanesville, Ohio.

Sold by Sayre & Hemphill

Mrs. R. S. Kingsbury, who is in a hospital at Daytona, Florida, following an operation, is improving, according to word received, but her recovery is quite slow. It is hoped that she will have recovered sufficiently to be removed to the Kingsbury cottage at Seabreeze within a week.

Myer Hyman, of Hyman and Bloc of Spring Valley and M. B. Hyman of Lebanon, are in Cleveland, purchasing spring stock. The Hyman stores are located at Spring Valley, Waynesville and Lebanon.

Omilo Snodgrass remained at bedside.

CANDIDATES INITIATED

Two candidates were initiated into Obedient Council No. 160, Daughters of America, at the meeting held at the lodge hall, Tuesday night. Seventy members were present for the ceremonies.

NEW REGULATIONS ON EXCISE TAXES ARE NOW EFFECTIVE

Cincinnati, Feb. 15.—With the repeal by the revenue act of 1921 of the so-called "luxury tax" on articles of men's and women's wearing apparel and other changes in tax legislation, the Bureau of Internal Revenue has issued new regulations (47 and 48) relating, respectively to the excise tax on sales by the manufacturer of certain articles—automobiles and accessories, cameras, candy, fire arms, cigar and cigarette holders, liveries, hunting garments, carpets, rugs, trunks etc.—and the excise tax on works of art and jewelry.

"The principal changes in the latter taxes," said Charles M. Dean, Collector of Internal Revenue, Tuesday, "are that the tax on works of art is reduced from 10 to 5 per cent and that the tax on jewelry and similar articles, which remains at 5 per cent no longer includes gold or silver ornamented glasses and spectacles. The tax on works of art attaches on all sales except the original sale by the artist, a sale to an educational institution or public art museum and sales by dealers for resale. The tax on lognettes has not been repealed."

"While the tax on musical instruments has been repealed, certain instruments such as cornets, clarinets, etc., if made of or ornamented with silver or other precious metal are taxable. Fountain pens equipped with gold pen points are also taxable."

"Monthly returns and payments of tax on works of art and jewelry are required of the vendor."

"Section 904 of the revenue act of 1921, which in the revenue act of 1918 included the tax on certain articles of wearing apparel provides only for a tax of 5 per cent of the amount paid for the following articles in excess of the following prices: carpets, \$4.50 a square yard; rugs \$6 a square yard; trunk \$35 each; valises, traveling bags, suit cases, hat boxes used by travelers and fitted toilet cases, \$25 each; purses, pocket books, shopping and hand bags, \$5 each; portable lighting fixtures, lamps of all kinds and lamp shades, \$10 each; and fans \$2 each. This tax is not payable by the purchaser, but by the manufacturer, producer or importer, who are required to make monthly returns and payment."

RESERVE TICKETS FOR XENIA FANS

Coach Jerry L. Katherman of Central High School received word Wednesday morning that Piqua High School athletic authorities would be unable to obtain tickets for Friday night's game in time to send any here for sale to local rooters who may accompany the team. Instead, the Piqua authorities are reserving a section of 50 seats for Xenians, and they will not be sold until Friday evening. Xenians can take advantage of this section by telling the ticket sellers that they are from Xenia.

WILL REFEREE GAME

Jerry L. Katherman, coach of Central High School athletics will referee the basketball game at the Rink, Wednesday night, between the Borings and the Wallace Collegians from Yellow Springs.

The Borings previously defeated the Yellow Springs team in an overtime contest. The game Wednesday night will be preceded by a preliminary between the Bruton Boogery five and the Boring Juniors.

J. W. R. CLINE DIES.

Springfield, Feb. 15.—J. W. R. Cline, 81, former commandant of the Soldiers Home at Sandusky, died at his home here yesterday after an illness of one week.

AH, HERE ARE THOSE LOVELY NEW SPRING HATS!

These are examples of some of milady's headgear that will be seen before trees are budded. From left to right are shown a French creation of straw and

cloth, the crown of straw and the brim of cloth. Inlaid apples providing the trimmings. The middle one is a turban of imported glass hair cloth, trimmed with three "love birds"

with blue tails and bodies, green wings, orange heads and black bills. On the right a mardarin hat of periwinkle georgette. The trimmings of coral "matchstick" beads.

Ohio Federation of Women's Clubs

By Mrs. George Elliott McCormick.

Subjects for an interesting community program follows: "The Community House," "Community Music," "Community Drama," "Market," "Community Kitchen," "Community Garden," "Social Uplift in the Community," "Housing and Social Welfare," "System of Organizing Charity," "A Special Recreation Program" and "The Social Center."

These subjects are supplied by Mrs. Elmer G. Laurence, No. 856 Locust street, Cincinnati, chairman of the civic committee of the Ohio Federation of Women's Clubs.

Miss Cline at Ashland "Women in Politics" Genevieve Cline, Cleveland, state federation chairman of legislation, discussed that subject before a recent meeting of the Ashland federation in the Congregational church. The meeting was thrown open to the public and was largely attended.

The Ashland federation stands high in the list of active federations in the state. It is headed by Mrs. J. Allen Miller. A one-day canvass conducted at Ashland to secure funds to support the public health nurse netted \$1,300. The Christmas seal money amounted to \$533 and this is being used for the health nurse and welfare work. A report by the treasurer, Mrs. A. C. Bogardus, shows \$1,994.11 to be in the general fund. \$47.97, contingent; \$533.67, Red Cross; \$127 library. One hundred and ninety-eight books were purchased during the past year at a cost of \$651 and the sum of \$500 was made off a rummage sale conducted by the federation.

The Needlework guild of the Ashland federation, has a balance of \$87.57. The guild's money is used to buy shoes and other articles for school children. An invalid chair was purchased by the federation the past year for a shut in. Many other splendid things are being done by the Ashland federation. Miss Lillian Bart, state federation department, is to address the Ashland club women at their March meeting.

Miss Elizabeth Haymaker, Ravenna, vice president of the Northeast district reports attending a program-dance party of the Ravenna federation to raise funds for community needs. About \$150 was realized. Toy balloons were given as souvenirs and refreshments were served. Cards were also enjoyed.

Guest day of the Glen Echo Child Welfare League, Columbus, was conducted at the home of Mrs. H. E. Musselman, No. 1214 Cambridge avenue, February 6, when Mrs. Geo. Elliott McCormick, of Marion, spoke on "The Work Being Done by the Public Welfare Department in the Child Welfare Division."

A novel display of home products recently featured the Colloquial Circle's annual mid-winter party at the home of Dr. and Mrs. T. T. Rosendale at Fostoria. It was distinctive Ohioan. Products made and manufactured in the Buckeye State were introduced into the decorations, wearing apparel, musical program and menu. In the menu there was a demonstration of Ohio products from the salt in the wafers to the ice

cream. Mrs. Charles Hess, Fostoria, former district vice-president, will furnish more details of the party to club women desiring to conduct an affair along similar lines.

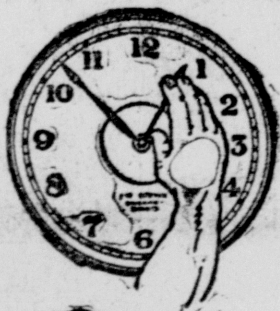

Members of the Julia Ward Howe Club, Cincinnati, purchased 1,500 bulbs last fall for their own use and the pleasure of others. They were Narcissus, Daffodils and Roman hyacinths and these, in the height of their beauty formed a magnificent display at the club's February meeting at the home of Mrs. Ambrose Johnston, in the Navarre apartments. Later the lovely blooms were sent to Mrs. Webb's Free Day nursery and to shut-ins.

ASK BRITISH CONTROL

London, Feb. 15.—The Roman Catholic bishop of Belfast has sent a message to Premier Lloyd George asking that the British military authorities take control of the situation in Ulster, according to an Exchange Telegraph dispatch from Belfast this evening.

TO COLLECT UNPAID CLAIMS

Cleveland, Feb. 15.—Steps to collect approximately \$500,000 in claims left unpaid from last year are expected to be taken by creditors of the city of Cleveland today, following Mayor Fred Kohler's announcement to council recently that the administration would refuse to pay these claims from current revenues.

Health turns the Clock Backward

Head Noises and Ringing in the Ears

Wednesday Health Talk No. 7.
By G. C. DONOHOO, D.C.

Head noises and ringing in the ears are the natural accompaniment of catarrhal trouble. The ear passages and the air passages are connected, and the stopping up of the air passages by mucous, as in a cold, extends to the ear passages and causes trouble there. Deafness is quite frequently an accompanying symptom.

A cold that affects the hearing is usually quite severe in character, and is usually so discomforting to the sufferer that everything possible is done to get rid of it. However, the fact that its cause is in the spine, and that the quickest possible relief is usually to be had from chiropractic spinal adjustments, is not generally known. The adjustments restore the full tide of spinal nerve impulses into the air passage tissues and cells and with this aid Nature soon clears the trouble.

DEAFNESS OF 28 YEARS IS ENDED

Arthur R. Thompson, proprietor of a steam laundry, states: "I was afflicted with deafness for twenty-eight years prior to my trial of chiropractic spinal adjustments. I could not hear a telephone ringing on the desk beside me. After adjustments my hearing began to come back and today is completely restored. This statement I make under oath."

A. R. Thompson, Chiropractic Research Bureau, Statement No. 1302H.

MANY LIKE THIS IN XENIA

Similar Cases Being Published in Each Issue.

The following case is but one of many occurring daily in Xenia. It is an easy matter to verify it. You cannot ask for better proof.

J. F. Mellage, shoemaker, 426 W. Second St., Xenia, says: "My back throbbed and ached constantly. Every time I stooped the least bit I got a stab of pain through my back that felt just like a knife cut. When I bent it was hard to straighten again, my back was so knotted up. Mornings I dreaded to get up, I was so stiff and lame. I easily tired and soon became very weak. My kidneys were too free in action and I had to get up several times at night to pass the secretions. Doan's Kidney Pills were so highly praised that I got some. I used about six boxes when I was absolutely cured of the back-ache and my kidneys again became normal."

CENTRAL HIGH HAS HOPES OF RECEIVING SILVER LOVING CUP

Will Central High School of this city be given the silver loving cup by Miami University for the best football team among Class B High Schools within a radius of seventy-five miles from Dayton last fall?

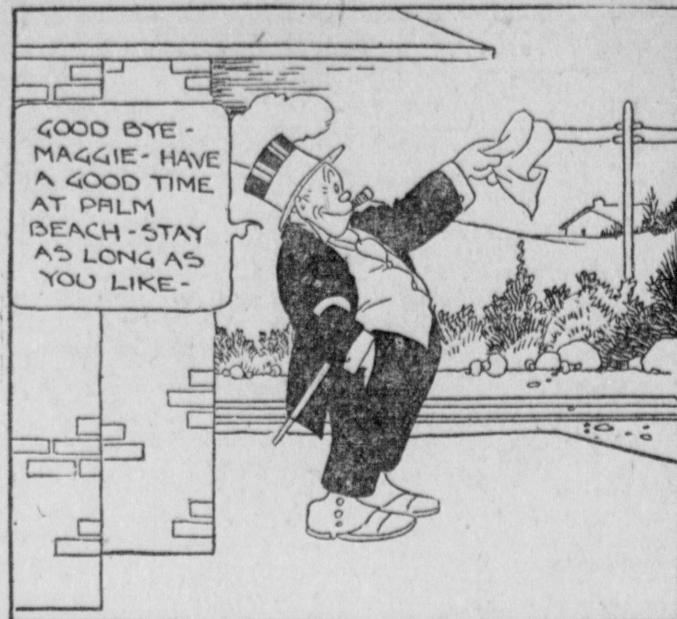

Local athletic authorities believe that such will be the case following encouragement received from coaches and officials in this section, who have seen the local eleven in action. Disposition of the Class B cup will be made soon, and if it comes here, the local school will have received a most fitting honor as a result of its undefeated eleven of last fall.

Two silver loving cups are offered annually by the "M" Association, an organization of letter men of Miami University. A Class A cup is offered for high schools with an enrollment of over 800 pupils, while Class B, unit includes high schools with enrollment below that figure. All high school teams within a 75-mile radius of Dayton, are eligible for competition for the cups, and a committee annually selects from the records, made by each team, the eleven that it feels deserves to receive the cup in that division.

Indications are that the Class A cup will be awarded Steele High of Dayton, because of its grid record last season. The disposition of the Class B cup is still in doubt. Recently Miami officials wrote to coach Jerry L. Katherman of Central High to obtain information regarding the record of the blue and white eleven on the gridiron, the teams played, the players and their weights and ages. The local mentor was told then that Xenia was one of three teams being considered as deserving of the cup. Since then Coach Katherman has learned that the other teams still in the race are Middletown High and Piqua High. Xenia did not play either of these teams in football, but both were defeated while Central High did not lose a game. Piqua was licked by Troy, which team the Katherman eleven defeated on Troy's own gridiron.

Dr. Dave Reese, former Denison star, now captain of the Dayton Triangles and Ohio Conference official, who refereed many games here last

fall, says that Xenia had a better team than either of the other two contenders. Coach Earl Prugh, of Antioch College, another Ohio Conference official, says the same thing. Last year the Class B cup went to Ada High School, which is "Doc" Lones home town. Local fans are hoping that the cup will follow "Doc" to this city this year and be added to the athletic trophies garnered by Central High.

Efficient Housekeeping

By Laura A. Kirkman

SOME GOOD HOT BREADS

The following recipes were contributed by a splendid New England housekeeper:

Parker House Rolls: "Begin at 8 o'clock in the morning and put 1 tablespoon of butter, 1 tablespoon of sugar and a pinch of salt into 1 pint of boiling sweet milk. Make a thin batter, like for griddle cakes, by adding flour. When lukewarm, add 1-2 cake of compressed yeast which has been dissolved in a very little tepid water, and let rise until noon; then add as much flour as you can stir in and let it stand and rise until four o'clock. Then turn out on a breadboard, but do not mould. Simply roll out about one-half inch thick, spread with warm butter, cut out with a large cookie cutter, and fold each disc over. After letting rise in a pan until high and light, bake 15 minutes in a good oven."

Milk Rolls: "1 pint of sweet milk, 3 tablespoons lard, 3 cups flour—heaping—1-2 cup sugar, a pinch of salt and 1-2 yeast cake dissolved in 1-2 cup of tepid milk. Scald the milk and let it cool. Now mix together flour, lard and salt. When the milk

is lukewarm add the sugar and yeast to it, then turn it into the flour mixture. Wrap the bowl in a blanket and set it near the stove, unless the weather is very warm. If mixed between 8 and 9 o'clock in the morning the rolls are ready to make up by half-past 11. When light, work well and cover with a cloth, then a paper; wrap again in the blanket and set once more in a warm place. Now let the mixture rise this second time until one hour before meal-time. Then turn it out onto your bread board, roll with a rolling pin, cut in rounds, put a small piece of butter in the middle of each disc, and fold over. Let rise in the pan 30 minutes, then bake 30 minutes in a good oven."

Sweet French Rolls: "1 cup milk, 1-3 cup sugar, 1-2 cup sugar, 1-2 teaspoon salt, 1 egg, 1-4 cup butter, 1 yeast cake dissolved in 1-4 cup of tepid water, ground cinnamon and bread flour. Scald the milk; let cool, and when lukewarm add the yeast cake and one and one-half cups of flour, cover and let rise till light. Then add the egg well beaten, the sugar, salt, butter, and enough more flour to knead. Let rise again, then once more turn out onto board; roll to one-half inch in thickness, brush with melted butter, sprinkle with sugar and cinnamon mixed, roll up like a jelly-roll, cut off the end pieces one inch in thickness, and lay these in a buttered pan. Cover the pan, let rise again and bake in a moderate oven about 25 minutes."

Raisin Buns: "Scald 1 cup of sweet milk, and add at once to it 1 tablespoon of sugar and 1-2 teaspoon salt. Let cool and when lukewarm add 1 yeast cake dissolved in 1-4 cup of lukewarm water, and 2 1-2 cups of bread flour; cover and let rise till light. When risen, add 2 more tablespoons of sugar, 1-2 cup of seeded, chopped raisins, 1-3 cup of melted butter, 1-4 teaspoon lemon extract and enough more flour to knead. After kneading, let rise again, and when again light turn out once more on board and roll to three fourths of an inch thick. Cut with small, round cutter, place in a buttered pan, let rise again, then bake in a moderate oven for 20 minutes."

HELEN HUNTER'S HUSBAND

BY JANE PHELPS

JACK MAKES AND KEEPS A THREAT CHAPTER 40

Jack had made no reply. How he hated these little white lies, and subterfuges. He was essentially honest and straightforward himself. Too honest in expressing his opinions. Helen often told him. But it hurt him to have his wife stoop to such meanness—as he called her evasions

Styles BY LENORE

Materials that are talked of for Spring wear promise a great deal of variety if not so much of novelty. Brocaded crepes will be used by the better houses for afternoon wear, and printed crepes too, will no doubt come in for a certain degree of popularity. These may be divided into three classes, the crepe with applique motif, broche crepe and the type with satin motif. At the same time, there is no doubt of

the continued popularity of plain crepe, satins, which are being shown in neutral shades, in Pompeian red, and greenish blues. Crepe satin lends itself agreeably for a dress like the one illustrated. It is here used in marine blue, relieved by dull embroidery. Note the unusual cut of the bodice and the swirl effect of the skirt. This is the type of dress that is welcomed for afternoon or dinner wear while travelling.

Just As Good For Adults

SUDDEN EXPOSURES

BRING
COUGHS, COLDS AND CATARRH

It is then that a dependable remedy is needed and appreciated. For it is not safe to neglect a cold. The sensitive membranes make it easy to take more cold. The cough grows worse, more annoying. Perhaps you try this or that remedy without results and meanwhile the condition is becoming one of chronic catarrhal stagnation. Guard yourself against such trouble by having a suitable remedy handy.

THOUSANDS DEPEND UPON AND ENDORSE
PE-RU-NA

Mr. Maxima Cowen, Liberal, Mo., says: "Terrible colds every hour soon check a cold and relieve a cough. I have used Pe-ru-na for thirty years."

Mr. W. R. Harpaz, Dachau, N. C., says: "Pe-ru-na is the best medicine on earth for colds and catarrh. It saved my life several times."

Pe-ru-na is just as good a medicine today as it was fifty years ago when our fathers and grandfathers adopted it as the best of all safe guards to the family health. Dr. Harpaz's famous remedy should be in every home because it fills all the requirements for a reliable emergency medicine.

"HI Y" BOYS ATTEND REVIVAL SERVICE

The outstanding feature of the Tuesday evening meeting of the evangelistic services, being conducted at the First M. E. Church, was the presence of 61 boys, members of the "Hi Y" Club, who attended the services in a body. The boys gathered at the McKinley building, and marched to the church, headed by Professor Austin Black.

An interesting atmosphere was created during the meeting when 25 of the boys responded to the call for prayer by Mr. Wiland. Dr. Scott chose an appropriate subject for his evening's text, taking the passage, James 1-6, "For He that wavereth is like the wave of the sea, driven with the wind and tossed." His sermon dwelt upon the plea, that men should not be easily led, by all doctrines and winds, but "keep the good faith," and was of especial significance to the boys who attended the meeting.

Members of the "Boosters' Chorus," met at the church, Wednesday afternoon at 3:30 o'clock, for practice for the Saturday evening meeting, in charge of Mr. Wiland. A call was received Wednesday by Mr. Wiland, from Bellefontaine, Ohio, and he will leave for that city, after a visit to his home in Harrisburg, Pa., at the close of the meetings in this city.

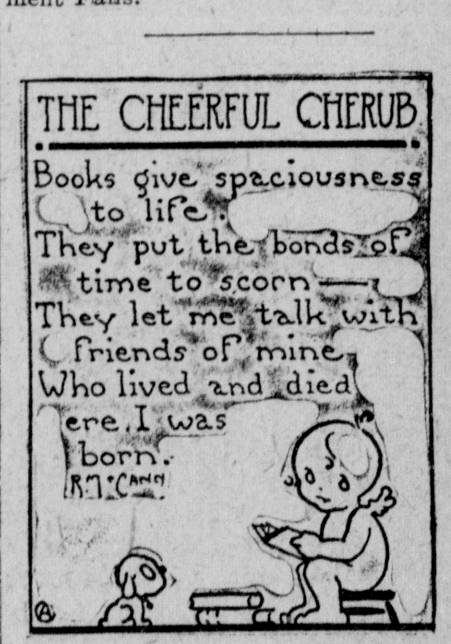

TOURNAMENT BEGINS.

Cleveland, Feb. 15.—Play in the hand ball tournament for the championship of the Allegheny division of Athletic Club here this morning. Teams representing Cleveland, Pittsburgh, Columbus and the University of Michigan are competing. Singles will be played today and doubles tomorrow.

THE CHEERFUL CHERUB

Books give spaciousness to life. They put the bonds of time to scorn. They let me talk with friends of mine who lived and died ere I was born.

This Will Help You Put On Pounds of Good Firm Flesh

And Round Out Face And Figure If You Are Weak, Thin, Or Emaciated Due To Causes Explained Below

Get a FREE \$1.00 Package of Genuine Yeast Vitamins Today as Explained Below—Try Them for Ten Days and Watch the Results

Science has at last shown how we sometimes grow weak, thin, and emaciated on an abundance of food (lacking in vitamins) while with a much smaller amount of food, rich in vitamins, we may quickly take on good firm flesh, increase in weight, and make a remarkable gain in strength, energy and endurance, provided your blood contains sufficient quantity of oxygenated organic iron to enable your body to assimilate your food properly.

It has been arranged to give every purchaser of Nuxated Iron, who wishes to put on flesh or increase weight, a large regular \$1.00 package of Genuine Yeast Vitamins absolutely free. Be sure to take only Nuxated Brand Yeast Vitamins Tablets with Nuxated Iron. Do not be misled by imitations which often contain drugs.

FREE \$1.00 Coupon
This coupon, if used within one week, entitles you to one regular \$1.00 package of our Genuine Yeast Vitamins Tablets, absolutely free with each bottle of Nuxated Iron that you purchase. If your dealer does not have our Vitamins Tablets he can easily obtain them for you from any wholesale house. Cut out this coupon and present it to your dealer today.
